Who may join BVA?

Anyone who is presently working in professional video production or a directly related profession either full time or part time may join the BVA. Members must subscribe to a code of ethics and abide by the association's by-laws. All members MUST be approved by the board of directors and are subject to a 6-month trial membership as applicable.

Guests are welcome to attend the meetings. The first time you attend there is no charge, after that there is a \$10 non-member guest fee required for each meeting. We encourage you to join. Joining the BVA will give you all the benefits listed above.

Code of Ethics

All the members of the Baltimore Videographers Association agree to:

- Conduct business in a fair, ethical manner, in accordance with Federal and State laws
- Make every effort to give the Client the best audio and video recordation possible, under the circumstances of each individual assignment
- Maintain equipment in good working condition and bring backup equipment necessary for the completion of the assignment
- Make every effort to keep informed in new trends and new technologies as they become available
- Not use false claims and deliver a product that is comparable or superior than that show in demo samples
- Assist fellow BVA members whenever possible
- Share technical knowledge with fellow members so the overall state of our members knowledge will be raised
- Properly run your business according to all local and state regulations including, but not limited to, licenses, insurances, taxes, contracts, and other pertinent business documentations.

I agree to the above regulations and involvement in the BVA.
